

STADIUM SECURITY INFORMATION

STADIUM BAG POLICY

To provide a safer environment for the public and expedite fan entry into the stadium, security policy limits the size and type of bags permitted. While we strongly encourage fans to not bring any bags if possible, the following bags will be permitted. All items are subject to search.

- One clear bag no larger than 12" by x 6" x 12" OR a one-gallon clear freezer bag (Ziploc or similar).
- In addition, fans may carry a small clutch bag or purse no larger than 6.5" x 4.5", with or without a strap.
- Each ticket holder, including children, may carry an approved clear bag and a clutch purse.

ADDITIONAL INFORMATION

- Diapers and wipes may be carried in a clear bag however diaper bags are not permitted.
- Additional clothing, blankets, etc. are permitted but should be carried loosely or in an approved clear bag.
- Blankets should be carried over the shoulder when entering the stadium in order to be screened more quickly.
- Small cameras, binoculars and cell phones may be carried in loosely or in an approved clear bag.
- Seat cushions are permitted but they must not exceed 18 inches in width and have no pockets, zippers or concealable areas.

There are no provisions to check items at the gates. Fans will be asked to either take prohibited items back to their car, if they have not entered the stadium, or dispose of prohibited items at the gate. The Denver Broncos and the stadium are not responsible for items left behind, lost, stolen, or damaged.

SECURITY SCREENING AT GATES

Prior to entering stadium gates, all patrons will be subject to security screening, including metal detector screening and inspection of bags or other items carried in. By tendering a ticket and entering the stadium you consent to such searches and waive any related claims that you might have against the NFL, its member clubs, their affiliates and stadium landlord or their agents. If you elect not to consent to the searches, you will be denied entry into the stadium.

The level of security screening may be modified on an event-by-event basis at the discretion of Sports Authority Field at Mile High management.

SUGGESTIONS & TIPS

The following suggestions are provided to assist in minimizing delay at security screening checkpoints.

When arriving at the stadium gates, fans will pass through two security checks. At the first, which is a short distance from the gate, staff will visually check the size and type of all bags being carried in to ensure they meet bag policy requirements. At the second security check, located at the gate itself, the contents of all bags will be searched and all fans will be subject to screening with a hand-held metal detector.

To speed the process, prior to arriving at the first security check:

- Make sure that any bags being carried in meet NFL guidelines.
- Remove any jackets or other large, bulky items from your bag and carry these in hand. When the contents of your bag are clearly visible staff can screen bags without requiring any contents to be removed. If blankets or other items conceal the contents of a bag, staff must request that they be removed in order for screening to take place, delaying the process.
- For screening with the metal detector, remove any keys, coins or other metal objects from your pockets and hold these in hand.

PROHIBITED & PERMITTED ITEMS

For the safety and security of our guests, the following items are not permitted into the stadium:
